AlgaeShield treats and prevents algae. Guaranteed!

Effectively Kills & Prevents

- Green Algae
- Blue-Green Algae
- Mustard Algae
- Black Algae

Why wait for algae to invade your pool?

AlgaeShield is treatment and prevention. It kills existing algae and defends your pool against algae for up to 30 days. Use AlgaeShield each month for a summer of clean, crystal clear water. Close your pool with AlgaeShield for an easier spring opening.

- Treatment Product
- Low Maintenance - Treat every 30 days
- Low dosage - Just 1 ounce per 1,000 gallons
- Pro-Active - Algae defense
- Rapidly Dispersing
- Preventative product
- Excellent for winterization

* Kills existing algae and prevents regrowth for up to 30 days. If a pool develops algae while using AlgaeShield as directed, Earth Science Labs will refund the purchase price. Proof of purchase required. Contact manufacturer for details.

AlgaeShield.com

...we put the recommended dose in 90% of our pools this year and I couldn't be happier. Pools that we've always had issues with in the past are no longer issues. We initially used it all as preventive maintenance which we had a 100% success rate with. WOW!

*~ Matthew D. McMaster,
Bennington Pools*

This product is the *ABSOLUTE* best. I used to have major algae problems and I have not had *ANY* issues since using your product five years ago....

~Kevin Bulger

AFTER

AlgaeShield has been a great product! We use it on our weekly cleaning route. It is the best algaecide I have seen in my 39 years in the pool industry.

*~ Jeff Thomas
Swim' N Holes*

We've been cleaning pools for 13 years. In that time, we've not found anything that compares to AlgaeShield. It really works and customer's love it.
